Hello Friends and Neighbors,

It is that time of year when we look ahead in anticipation of another wonderful summer at Cranberry Lake.

The 2024 season is extra special as the Cranberry Lake Community Club celebrates its Centennial Anniversary! For 100 years, CLCC has served our community by fostering camaraderie through social and recreational activities and the stewardship of Cranberry Lake. The CLCC Centennial Committee was formed and began work in 2023 to commemorate this historic anniversary. There is something for everyone and we welcome you to join in the festivities!

### **OFF TO A GREAT START**

We are taking full advantage of the newly renovated fireplace with some “off-season” events to kick-off the year. CLCC families rang in 2024 with a New Year’s Eve party at the clubhouse. It was a multigenerational gathering that highlighted what makes Cranberry Lake such a special place to live.

We continue to invest in our member experience and recently added a new flatscreen TV at the clubhouse. There is no better way to break-in the new TV than with a Super Bowl viewing party.

Everyone is Irish on St. Patrick’s Day and we will celebrate at the clubhouse on March 16th.

Bring the kiddos out for an Easter Egg hunt at Cabin Springs on March 23rd.

...and this all happens before we begin our summer calendar of events. It is going to be a very special year!

### **CONTINUING OUR MOMENTUM**

Our volunteer efforts have not skipped a beat through the fall and winter months. While excessive rain/snow runoff has made it difficult to maintain the 4-foot drawdown, we successfully completed significant repairs and clean-up to our shore front properties.

We have several projects scheduled to begin in the early spring and we look forward to continuing our journey of investing in our facilities. Special thanks to our volunteers who continue to selflessly share their time and expertise. I am thankful for everyone’s effort and proud of our continued progress to preserve and strengthen the CLCC. THANK YOU!

### **REGISTER TODAY!**

We will continue to leverage the CLCC Website to complete 2024 Membership Registration. The Membership Dues page of the website contains links to pay your dues, request a boat slip, apply for employment, view our calendar of events and more! You can complete all registration actions directly on the website OR if preferred, you can print the forms and mail the information to the CLCC. The choice is yours. If neither of these options work for you, let us know and we will arrange to get you a membership package.

Summer 2024 is right around the corner. Thank you in advance for your continued support of the Cranberry Lake Community Club.

Cheers to 100 years!!!
