February 18, 2025

Hello Friends and Neighbors,

The lake is frozen and the firewood is starting to run low. It's the perfect time to start thinking about Summer 2025 at Cranberry Lake!

We usher in 2025 on the heels of a spectacular season where we celebrated the CLCC's Centennial Anniversary. Thanks to the entire community for making 2024 such a wonderful success!

We have another birthday to celebrate...the clubhouse turns 100 years old in 2025! The clubhouse is the centerpiece of our community, and we look forward to reliving the memories and acknowledging this milestone together.

We've had a healthy balance of activity since the end of last summer. Oktoberfest was reimagined as an afternoon family event with games and activities for little kids and "big kids"...as well as some playoff baseball on the flat screen (Let's Go Mets!). The annual bridge lighting was very well attended and the holiday tunes sounded great on the new audio system. Thursday Night Cornhole at the clubhouse continues to be a big hit! It's fantastic to see our members enjoy the facilities year-round!

We also continued to invest in our infrastructure during the fall with repairs to several docks and the reconfiguration of the sidewalk at the clubhouse beach. We have several projects scheduled to begin in the early spring and we look forward to the continued investment in our facilities. Special thanks to our volunteers who continue to selflessly share their time and expertise. I am thankful for everyone's effort and proud of our progress to preserve and strengthen the CLCC. THANK YOU!

We once again have a packed calendar of events and activities for all ages to enjoy in 2025. In addition to all of our summer staples, keep your eyes out for pre-season activities such as the Kids Easter Egg Hunt and Cinco de Mayo party. There is something for everyone and we welcome you to join in the fun!

### **REGISTER TODAY!**

We will continue to leverage the CLCC Website to complete 2025 Membership Registration. The Members page of the website contains links to pay your dues, request a boat slip, apply for employment, view our calendar of events and more! You can complete all registration actions directly on the website OR if preferred, you can print the forms and mail the information to the CLCC. The choice is yours. If neither of these options work for you, let us know and we will arrange to get you a membership package.

Summer 2025 is right around the corner. Thank you in advance for your continued support of the Cranberry Lake Community Club.

See you on the lake!

Brian Church  
President - Cranberry Lake Community Club
