At Your Service

About Cranberry Lake

Cranberry Lake was originally formed in 1830 to serve as a reservoir for the Morris Canal. In the 1920's, the Cranberry Lake Development Company built vacation homes at Cranberry Lake. In response to the recreational needs of the residents of these vacation homes, the Cranberry Lake Community Club (CLCC) was established in 1924. Today, Cranberry Lake boasts year-round homes as well as numerous vacation homes.

The CLCC maintains a quality program of activities and services at reasonable rates to its members. In addition to scheduled events and organized programs, the following CLCC facilities & services are covered by your dues (except where noted) and are available to you:

The Cranberry Lake Community Club provides more activities for its members at a lower cost than any other comparable club in our area. This is due to the many volunteers and their great club spirit. Check your calendar and our online calendar every day so you won't miss any of the activities. There is something for every age group.

Please call any Governor with any concerns or questions.
